

THE LEVI'S® WORKSHOPS ARE A SERIES OF VENUES DEDICATED TO CREATIVE PRODUCTION AND COLLABORATION. HERE WE CELEBRATE THE CRAFT OF FILMMAKING AND THE OTHER ARTS RAISED IN THE STREETS OF LOS ANGELES.

LIKE THE EXHIBITION WE ARE HOUSED IN, WE CHAMPION A VARIETY OF STYLES AND TECHNIQUES; FROM SUPER 8 TO 3D, HOME MOVIES TO AVANT GARDE, AMATEUR TO PROFESSIONAL.

LEVI'S® X MOCA ART IN THE STREETS TRUCKER JACKETS

Since it was first introduced in 1967, the Levi's® Trucker Jacket has served as an iconic canvas for artists around the world, from the boogie-down Bronx to the favelas of Brazil.

These Levi's® Trucker Jackets are part of a limited series celebrating our partnership with ART IN THE STREETS.

All proceeds from the sale of this jacket benefit MOCA and its community programs.

WEDNESDAY
04/27

8:00 PM
LEVI'S® PRESENTS: SKATE VIDEO NIGHT
Vista Theatre

Noted photographer & producer Patrick O'Dell (*Epicly Later'd*) presents a special compilation of seminal skateboard videos from the '80s to today. Legendary skateboarders + filmmakers Spike Jonze, Stacy Peralta, Lance Mountain, Ed Templeton, Greg Hunt, Ty Evans, Rick Howard, Aaron Meza and Tobin Yelland join for a Q&A. **CHECK OUT THE VIDEO RECAP <http://vimeo.com/levis/skatevideonight>

THURSDAY
05/19

6:00 PM
PRO NIGHT: SHOOTING IN SUPER 8 WITH COAN BUDDY NICHOLS
Levi's® Film Workshop at MOCA

LA-based filmmakers Coan Buddy Nichols and Rick Charnoski met in New York in 1998 through skateboarding and a shared interest in Super 8 film, so they combined the two and made their first film about skating in empty swimming pools called *Fruit Of The Vine*. In his workshop Buddy will share all the awesome things you can do with Super 8 that you can't do with other cameras.

SATURDAY
05/21

1:00 PM
THE ABERRICAN WORKSHOP - SECRETS OF SKATE VIDEOS WITH STEVE BERRA OF THE BERRICS
Levi's® Film Workshop at MOCA

A participatory event where you will learn to conceptualize, set story lines, film with purpose, edit with a concept and have a final piece in short time frame. To make a skate video takes years, but The Berrics turn out video parts in days... Learn the steps to make a passion into a career.

SATURDAY
05/21

7:00 PM - 8:30 PM
A/V SESSION: MICHAEL ALLEN
Levi's® Film Workshop at MOCA

Michael Allen/Project Ion has been creating projected environments for bands, art galleries, and parties since 1995. From 16mm to video to slides and overhead projectors, Michael uses anything that projects light to display clips from his extensive collection of obscure found footage. He's worked with bands and DJs such as the Polyphonic Spree, the Secret Machines, Cut Chemist, Mix Master Mike.

SUNDAY
05/22

11:00 AM
ECHO PARK FILM CENTER: 16MM BASICS
Levi's® Film Workshop at MOCA

Learn basic camera operation and lighting with this introduction to 16mm filmmaking using Bolex reflex and Beaulieu cameras. No previous filmmaking experience necessary!

SUNDAY
05/22

3:00 PM
MEET THE ARTISTS: NECK FACE + ISAIAH SERET
Levi's® Film Workshop at MOCA

Filmmaker Isaiah Seret and Artist in the Streets exhibiting artist Neck Face premiere the trailer and discuss their forthcoming feature-length film, *Born Under A Bad Sign*.

TUESDAY
05/24

8:00 PM
WORLD PREMIERE OF OUTSIDE IN: THE STORY OF ART IN THE STREETS
Egyptian Theatre

OUTSIDE IN is a celebratory and historical look at street art through the lens of MOCA's groundbreaking exhibit *Art in the Streets*. Artists including Lee Quiñones, Futura, Mister Cartoon, Revok, Martha Cooper and Invader share their artistic processes, pitfalls with the law and the poetic impermanence of their craft. Q&A with director Alex Stapleton followed by an after-party with a DJ set by Shepard Fairey.

A FILM BY ALEX STAPLETON

THURSDAY
05/26

6:00 PM
PRO NIGHT: HD/SLR FILMMAKING WITH JACOB ROSENBERG
Levi's® Film Workshop at MOCA

Jacob Rosenberg, director of the forthcoming *Waiting for Lightning*, the story of skateboarder Danny Way will shed light on his early days making the Plan B skateboard videos and the challenges, pitfalls and details of making independent movies with HD/SLR cameras. He will share the creative workflow on his most recent project the upcoming Navy SEALs film *Act of Valor*.

SATURDAY
05/28

1:00 PM
MOVIE POSTER MAKING WITH THE ART DUMP
Levi's® Film Workshop at MOCA

The Art Dump (AKA the Girl Skateboard Company's full-time art department) will lead a hands-on workshop in how to create a poster for the next indie skateboard epic, or demo tour. Present for the Art Dump will be Andy Jenkins, Michael Coleman, Hershel Baltratoski and Christian Morin to work hands on with participants in a digital format.

SATURDAY
05/28

7:00 PM - 8:30 PM
A/V SESSION: JUSTIN HAMMOND (MC THIS)
Levi's® Film Workshop at MOCA

MC This is the only artist in the world who has brought visual projection from the interior to the streets, rooftops, forests and deserts in one step. MC This projects live images from four or more video sources, mixes them, adds effects to them and projects them anywhere he goes on a number of unique screen surfaces.

SUNDAY
05/29

11:00 AM
ECHO PARK FILM CENTER: 16MM LOOP MAKING
Levi's® Film Workshop at MOCA

An activation of Eisenstein's theory of montage mixed with lessons in how to use a splicer and projector. Scratching, tweaking, dying and repurposing found footage to make film loops. Participants will chop up old films and make a new edit/film loop that is screened at the end of the workshop.

SUNDAY
05/29

7:30 PM
LEVI'S® PRESENTS: THRASHIN'
Cinefamily

One of Hollywood's first forays into the skateboarding universe finds Josh Brolin as the newest member of a Venice skate crew who falls for the sister of a rival gang leader. This "West Side Story"-on-wheels is an incredible laidback time capsule of '80s SoCal culture, and features killer vintage footage of Tony Hawk, Tony Alva, Christian Hosoi and Steve Caballero in action! The evening also includes a cast/crew reunion onstage!

THURSDAY
06/02

6:00 PM
PRO NIGHT: 3D BASICS WITH CENTER FOR STEREO3D@USC
Levi's® Film Workshop at MOCA

The first in a series of 3D filmmaking workshops will cover the basics of stereo imaging and feature a depth cue scavenger hunt. Center for STEREO3D@USC is a research unit at USC's School of Cinematic Arts dedicated to exploring new aesthetics and innovation in relationship to 3D films, games and more.

SATURDAY
06/04

1:00 PM
THE ABERRICAN WORKSHOP: THE ART OF EDITING SKATE VIDEOS WITH COLIN KENNEDY OF THE BERRICS
Levi's® Film Workshop at MOCA

In this hands-on workshop, acclaimed skate filmmaker Colin Kennedy will share how music, editing and a little visual trickery can transform a good skate video into a great one.

SATURDAY
06/04

7:00 PM - 8:30 PM
A/V SESSIONS: GRANT DAVIS
Levi's® Film Workshop at MOCA

Grant is an award-winning VJ ranked among the top visual performers worldwide. Under the name VJ Culture, Grant has provided sight and sound for audiences around the world. Grant has worked with Beck, Mary J. Blige, P-Diddy, The Rapture, Common, Eryka Badu, Jazzy Jeff, Paul Oakenfold, Tiesto, REM, Pearl Jam and about every other top 100 DJ.

SATURDAY
06/04

10:00 PM
LEVI'S® PRESENTS: GLEAMING THE CUBE
Cinefamily

Featuring multiple appearances by the Bones Brigade (as well as Tony Hawk as a pizza delivery boy playing "chicken" against a carload of Communist goons!), the Cold War-themed '80s skatesploitation flick *Gleaming The Cube* stars Christian Slater as an Orange County skater who uncovers an illegal gunrunning operation while investigating the death of his adopted Vietnamese brother.

SUNDAY
06/05

11:00 AM
ECHO PARK FILM CENTER: HOME MEDIA MASHUP
Levi's® Film Workshop at MOCA

Bring in your old home movies (Super 8mm, 8mm, VHS) and learn to edit and reappropriate the footage to create a story.

SUNDAY
06/05

3:00 PM
MEET THE ARTISTS: C.R. STECYK III + FELIPE LIMA
Levi's® Film Workshop at MOCA

In the late 1970s, as an original member of the "Dogtown" skateboard gang in Southern California, Craig Stecyk changed the look and attitude of skateboarding forever. In this Meet the Artist session filmmaker Felipe Lima and *Art in the Streets* exhibiting artist Stecyk will share and discuss their collaborative short films at the intersection of documentary and journalism.

TUESDAY
06/07

7:00 PM
SCREENING: PREMIERE OF THE ABERRICAN ORIGINALS
The Berrics Skatepark

The secret skate park known as The Berrics is transformed for one night only into a cinema. Leave your cameras at home. Enjoy food, drinks and the premiere of the *Aberrican Originals*, a skate film challenge to 5 filmmakers from all parts of North America who've come to LA to take us through a journey of skate films and their interpretation of *Art in the Streets*. **NOTE:** You must RSVP for directions.

THURSDAY
06/09

6:00 PM
PRO NIGHT: 3D BASICS WITH CENTER FOR STEREO3D@USC

Ray Zone, one of the pioneers of stereo art, will talk about his work and reveal tips and tricks to budding stereo filmmakers. Part of a series of 3D filmmaking workshops presented by the Center for STEREO3D@USC, a research unit at USC's School of Cinematic Arts dedicated to exploring new aesthetics and innovation in 3D films, games and more.

SATURDAY
06/11

1:00 PM
SKATE CINEMATOGRAPHY WITH TY EVANS

Filmmaker Ty Evans, co-director of the epic *Fully Flared* (won "Best video of the Year" at the Transworld Skateboarding Awards) skate video, will reveal the tips, techniques and secrets of getting great skate footage. As a special treat, participants will be able to shoot pro riders from Girl and Chocolate on the streets around MOCA.

SATURDAY
06/11

7:00 PM - 8:30 PM
A/V SESSIONS: OUTSIDE COUNCIL

Outside Council perform live visual projection sets that combine algorithmically generated, sound-responsive imagery with illustrations, graphics, typography, and original/found film footage.

SUNDAY
06/12

3:00 PM
SECRETS OF THE DOC
Levi's® Film Workshop at MOCA

Acclaimed documentary filmmakers Doug Pray (*Hype!*, *Scratch*, *Infamy*, *Survivise*), Michael Rapaport (*Beats Rhymes & Life: The Travels of a Tribe Called Quest*), Alexandria Stapleton (*Outside In*, *Corman's World: Exploits of a Hollywood Rebel*), Ondi Timoner (*Dig!*, *We Live in Public*) will reveal their tips for shooting unscripted films.

SUNDAY
06/12

11:00 AM
ECHO PARK FILM CENTER: SUPER 8 BASICS
Levi's® Film Workshop at MOCA

Using the classic home-movie camera, students will explore the history and application of small format filmmaking. This workshop includes basic camera operation and shooting techniques. No previous filmmaking experience necessary.

SUNDAY
06/12

7:00 PM
LEVI'S® PRESENTS: WORLD PREMIERE OF THE NEW 3D SKATE SHORT + GIRL SKATEBOARDS' VIDEO RETROSPECTIVE
Downtown Independent

Some of the most unique skate videos of the past ten years have been made by the Girl team. This big screen tribute will include classics and rarities from the Girl archive plus special guests. The evening will conclude with the world premiere of a new 3D Girl Skate Short directed by Ty Evans.
